Heidiwood

I'm back...from Los Angeles that is and want to share some vacation hot spots with my Style Spy girls. Welcome to Hollywood or should I say Heidiwood.

Heidi and Brody Jenner

Where: [The Coffee Bean and Tea Leaf](#) (7915 Sunset Blvd, Los Angeles)
Spotted: Boy toy Brody Jenner getting his coffee drink-on after dropping his black Escalade off at Sunset Car Wash. Brody liked that we were Canadian girls – possibly a flashback to The Hills episode when Lauren, going through his phone, finds a number for a certain Canuck named Britney?

Moneybag I \$ LA Tee

Where: [Dussault Motel](#) (8010 Melrose Avenue, Los Angeles)
What I scored: Far from the tourist variety, the [Moneybag I \\$ LA Black White Womens T Shirt](#) (\$40US) channels hot, rocker chick. And also lets boys know what we love: money and the City of Angels.

Heidi with Minnie and Disney Couture Hidden Treasure Ring

Where: [Disney Vault 28](#) (1580 S. Disneyland Dr. Suite #104, Anaheim)
In the Vault: This cute boutique in the middle of downtown Disney carries [Tarina Tarantino](#), [King Baby](#), Betsey Johnson and Harajuku Lovers to name a few. I left with the Disney Couture Hidden Treasure Chest (\$40US) ring as a reminder that like all girls, I am a gem.

Heidi glossing it up at the Chateau Marmont

Where: [Chateau Marmont](#) (8171 West Sunset Blvd, Los Angeles)

Check In: Lindsay Lohan was one of the celebs who called the Chateau Marmont home. But the restaurant inside this landmark hotel, called Bar Marmont, is where it's at. The secluded garden dining area allows Hollywood producers and stars to have secret convos; we spotted Kyle MacLachlan who played Trey MacDougal on Sex and the City. The Havana Style Mojito is arguably the best in the city and all the nibbles are delicious.
